

# CREATE AND CONFIGURE IBM CLOUD SERVICES

AIM:

To create IBM CLOUD service

account.RESULT:

IBM CLOUD account has been successfully created.

The screenshot displays the IBM Cloud user interface. On the left is a dark sidebar with a menu containing 'Account', 'Account resources', 'Account settings' (which is highlighted), 'IBM Cloud Shell settings', 'Notification distribution list', 'Classic infrastructure', 'Subscriptions', 'Audit log', and 'Company information'. The main content area is titled 'Account settings'. It includes sections for 'Account' (showing 'Varshini G's Account' and ID 'f92556683f4546039f290ac02cd05762'), 'Account Type' (Trial (Free) with 393 days remaining), and 'Account upgrade'. The 'Account upgrade' section has two columns: 'Pay-As-You-Go' with an 'Add credit card' button, and 'Subscription' with an 'Upgrade' button. A 'Need help?' link is also present. At the bottom, a section for 'Subscription and feature codes' is partially visible.
